

Fee and Refund Policy

1. Purpose & Scope

The purpose of this policy is to ensure that Mint Training Pty Ltd t/a Mint International College adopts a transparent fee and refund policy that is fair to students who have valid reasons for requesting refunds and who give Mint International College sufficient notice, while at the same time laying down a step by step process for Mint International College to protect the college from suffering economic loss that may be caused by refund requests that are not submitted within the required timeframe.

This document sets out a policy for collecting and managing student fees. It also addresses changes to the Education Services for Overseas Students Act 2000 commencing 1 July 2012 as well as the Refund process at Mint International College.

This policy and procedure applies to all the fees received from all the students enrolled by Mint International College as well as fees received from all the prospective students who pay an advance fee when applying for a place at Mint International College. As such this policy is also a part of Student Written Agreement.

In accordance with the Standard 7.3 of SRT0 (2015), RTOs registered on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) must satisfy both the requirements of this clause and of the Tuition Protection Service (TPS) under the Education Services for Overseas Students Act 2000.

This policy also applies to any education agents or college's overseas offices collecting any student fees on behalf of Mint International College.

2. Fee Policy

At Mint International College we understand that as a provider we are required to list all tuition fees payable by the student for the course, the periods to which those tuition fees relate and payment options (including, if permitted under the ESOS Act, that the student may choose to pay more than 50 per cent of their tuition fees before their course commences).

Mint International College will provide details of any non-tuition fees the student may incur, including as a result of having their study outcomes reassessed, deferral of study, fees for late payment of tuition fees, or other circumstances in which additional fees may apply.

Mint International College will set out its course fees, including government subsidised training to eligible students, in the *Schedule of Fees*, which will be reviewed annually and published in the relevant marketing materials or other publications including college's website.
<http://www.mintraining.edu.au/resources/>.

The tuition fees are set for a complete course and cannot be charged, calculated or broken up on a unit basis.

Mint International College will honour its advertised fees, except where fees are altered and disclosed in documentation supplied prior to enrolment.

Where applicable, we maintain a financial agreement only with student and not with any third party paying fees on behalf of student.

The tuition fees will be charged according to college's study periods. Study periods will be clearly defined in student's *Letter of Offer* and *Student Agreement*.

Mint International College will list and provide complete information on the total amount of all fees including course fees, administration fees, materials fees and any other charges to all the prospective students prior to enrolment and include them in the Student Agreement.

Mint International College will articulate and provide information on payment terms, including the timing and amount of fees to be paid, any non-refundable deposit/administration fee, security of pre-paid fees, and the fees and charges for additional services to all the prospective students prior to enrolment and include them in the Student Agreement.

Mint International College will provide all the prospective students with a copy of its *Fee Refund Policy* as part of enrolment process and make a copy of the policy available on its website at all times.

5.7 Pre-paid Tuition Fees

A maximum of 50% of the course tuition fee will be collected as a pre-paid fee for course longer than 25 weeks in duration.

For packaged courses, up to 50% of the fee of the first course of study will be collected as a pre-paid fee.

Under the ESOS legislation providers cannot require students to pay more than 50 per cent of their tuition fees before they start the course. However, if students, or the person responsible for paying the tuition fees, choose to pay more than 50 per cent of their tuition fees before they start their course then Mint International College will maintain evidence to demonstrate that the students have exercised choice in how much of their tuition fees are paid up front.

Short courses with a duration of 25 weeks or less are not subject to the 50 per cent limit. There are no restrictions on collecting tuition fees after a student has started their course.

Mint International College will keep initial prepaid tuition fees in a designated bank account within 5 business days of receiving them. This account will only be drawn down when the student commences the course.

Under the provisions of changes to the Education Services for Overseas Students Act 2000 enacted on 20th of March 2012 as part of the Government's second phase response to the Baird Review, Mint International College will contribute annually to TPS and meet the new regulatory requirements. The Commonwealth Government's Tuition Protection Scheme (TPS) protects fees paid in advance by international students. Further details on the TPS are available at: www.tps.gov.au.

On Commencement

Fee invoices and payment reminders will be sent out to the students at least eight (8) weeks prior to start of a new study period/term with an appropriate due date according to this policy. If a student voluntarily pays fees earlier than due date, it will be treated according to pre-paid fee provisions set out in this policy to enable college to refund any unused tuition fees according to its *Fee Refund Policy*.

Student tuition fees are required to be paid on or before the due date for a study period as notified to students through college's communications including offer letter, invoice, fee-reminder, college's website or any other fee related correspondence.

Mint International College reserves the right to amend student tuition fees, fines and other charges as it so determines. However, the tuition and other fee(s) which have been agreed with a student at the time of signing the student agreement will not change for the duration of the enrolment and agreement period.

Mint International College may impose a late payment fee where a student has not paid tuition fees by the advised due date for payment.

The enrolment will not be made effective until the required fees have been paid.

A fee-paying student who has not paid tuition fees by the advised due date may have the student's enrolment at Mint International College cancelled.

A student who has outstanding fees owing to Mint International College will not be permitted further enrolment (except where any Commonwealth or State legislation or code of practice provides otherwise) and will have their academic results withheld (as such will not be eligible to graduate) until the fee debt is paid in full. Mint International College may refund relevant fees to a student in accordance with its *Fee Refund Policy and Procedure*.

A student excluded under a college rule (e.g. disciplinary action) is not entitled to a refund (except where any Commonwealth or State legislation or code of practice provides otherwise).

A default is only determined when any complaints and appeals processes are complete and the student default is confirmed.

Mint International College will notify the Secretary and TPS Director (via PRISMS) of student fee defaults for which education services are likely to be denied within 5 business days (Once any complaints and appeals processes are complete and the student default is confirmed).

The Executive Committee will review and approve all tuition fees for students of Mint International College on an annual basis.

The following refund conditions and procedures will apply to all the fees whether paid directly to Mint International College or through an approved agent of Mint International College.

 - 1) a single course within Mint International College; or

In the case of withdrawal after the commencement of the unit of competency student will be required to pay any remaining monies for that term by an agreed date.

In cases where the instalment agreement is broken (i.e. fees are not paid by the due date) the following may occur:

- Reminder notices may be forwarded, requesting immediate payment of overdue fees.
- If a satisfactory response is not forthcoming, debt recovery action may be taken in order to recover the fees. Any debt collection costs will be student's responsibility.
- No documentary or verbal evidence of enrolment or results will be given.
- Student will not be accepted into any other course/unit of study with us whilst fees remain outstanding.
- The enrolment may be suspended or cancelled at the discretion of the RTO Manager.

4. Procedure for Claiming Refunds

All refund claims must be submitted in writing via college's *Refund Request Form* accompanied by appropriate supporting documents as specified to Mint International College.

All refund applications must be made and signed in person by the student. Where it is not possible for a student to be present in person (e.g. students residing overseas or international students) to claim a refund, the student must send a scanned copy of their signed forms to the Student support officer by email. On receipts of email, the Student support officer will verify student's signatures on records and may also telephone the student to verify student's identity. No refunds will be made on email applications until the time when student's identity has been verified.

All applications for the refund will be authorised by the General Manager or CEO at Mint International College.

When an amount is refunded to an international student, Mint International College will provide the student with a statement explaining how the refund amount has been calculated.

A refund of fees in relation to an international student will be made in the same currency in which the fees were paid and be made to the party who entered into the written agreement with Mint International College, unless that person directs Mint International College otherwise in writing.

In normal circumstance, Mint International College will refund the amount within four (4) weeks after receipt of the completed and signed *Refund Request Form* together with appropriate supporting documents.

Payments will be made to students either by electronic transfer in their nominated bank accounts.

For any refund to be paid to any other person than the students, a written authorisation from the student will be required.

5. Grievances and Appeals

A student may appeal against a decision made with respect to fees, including refunds, and the appeal must be lodged in writing according to the processes for appeals as detailed in the *Student Complaints and Appeals Policy and Procedure*.

Availability of Mint International College's complaints and appeals processes does not remove the right of a student or an intending student to take action under Australia's consumer protection laws or to lodge an appeal with a relevant external body or to take other legal action.
