TRAINING DEFINITIONS

Our training programs are predominantly based on the principles of Competency Based Training. Some of the common training terms you will discover are described below:

Registered Training Organisation (RTO) means a training organisation registered by a registering body in accordance the Australian Skills Quality Authority (ASQA) to deliver, assess, and issue qualifications for nationally recognised training within a defined scope of registration that identifies the particular services and products that an RTO can provide.

Assessment means the process of collecting evidence and making judgements on whether competency has been achieved to confirm an individual can perform to the standard expected in the workplace, as expressed in the relevant endorsed industry/enterprise competency standards or the learning outcomes of an accredited course.

Competency is a broad concept that describes a person's ability in a range of areas. Competency covers:

- Task skills (performing individual tasks)
- Task management skills (managing a number of different tasks within a job)
- Job or role environment skills (dealing with the responsibilities and expectations of the workplace)

Competency Based Training is aimed at providing learners with the knowledge, understanding and skills to demonstrate competence against nationally endorsed industry standards.

Competency Standards reflect your knowledge and skill and the application of your knowledge and skill to the performance standard required in the workplace.

Standards are developed by industry parties, based on the organisation of work, and are expressed in terms of workplace outcomes. These standards are regularly reviewed to ensure their continuing relevance to the workplace.

Competency Based Assessment is a process of collecting evidence and making judgments on whether competence has been achieved. This is based upon the learner being informed about the assessment process and includes the provision of information detailing the requirements for successful performance to be assessed.

MIC applies four basic principles to the assessments we undertake. Our assessment methods need to be valid, reliable, fair and flexible. Our trainers will work with you to find the best methods in which you can demonstrate your competence in the areas required.

Flexible Learning means an approach to training which allows for the adoption of a range of learning strategies in a variety of learning environments to cater for differences in learning styles, interests and needs.

Recognition of Prior Learning (RPL) means recognition of competencies currently held, regardless of how, when or where the learning occurred.

Training Package means an integrated set of nationally endorsed competency standards, assessment guidelines and AQF qualifications for a specific industry, industry sector or enterprise.

Training Plan means a program of training and assessment which is required under a traineeship training contract. The traineeship training contract is registered with the appropriate state government department or agency as may be required by state legislation.

Workplace Training, this is training that is undertaken in the workplace and may include structured training and/or assessment, observation of work practices, case study or completion of work tasks.

Mint International College will NOT pay, provide or offer, either directly or indirectly, incentives to individuals and/or entities to induce them to undertake training (Fee for Service).

Mint International College is committed to ensuring that all student selection processes are fair, equitable and consistent with workplace performance, competency level and the Training Package requirements. Therefore selection into a training program is based upon the applicant:

- Meeting any other entry requirements / pre-requisite qualifications and/or work experience requirements; and
- Meeting any age requirements that may be in place for a particular course

If any applicant does not meet entry requirement, Mint International College may advise of any appropriate pre-entry training they can undertake to meet eligibility criteria.

Recognition of prior learning (RPL)

RPL is the acknowledgement of your skills and knowledge, irrespective of how it has been acquired. It includes competencies gained through a combination of formal or informal training and education, work experience or general life experience.

In order for Mint International College to grant RPL, your assessor must be confident that you are currently competent against the endorsed industry or enterprise competency standards or outcomes specified in Australian Qualifications Framework accredited courses.

The evidence may take a variety of forms and could include certification, references from past employers, testimonials from clients, and work samples.

You may apply for RPL and supply evidence that demonstrates that you have all the skills and knowledge relating to the competency. Our assessor will ensure that the evidence is authentic, valid, reliable, current and sufficient.

Each unit of competency is addressed individually and there are several stages in the RPL process:

- Self-assessment
- Submission of relevant evidence
- Assessment of evidence
- Interview and/or Demonstration and/or Observation tasks
- Gap training (if required)

Although Mint International College may finalise the RPL process within 4-8 weeks of receipt of the application and associated supporting evidence, it may take longer depending on the unit(s) of competency applied for and/or applicant providing required evidence on time.

RPL fees are determined at the time of application and depend on level of qualification and assessments required by the applicant.

Credit Transfer

Mint International College will accept and mutually recognise the qualifications and Statements of Attainment awarded by another RTO.

Credit transfer allows learner to count relevant, successfully completed unit(s) of competency at another RTO, and universities – towards their current course or qualifications. It works in two ways:

- Students receive credit for units or modules they have previously completed and are exempt from retaking them, therefore reducing the study load
- Students may be exempt from certain introductory units but are still required to complete the total credit points or hours for the course

To receive a Credit Transfer for a unit of competency, a student must complete and sign a Credit Transfer Application Form and submit it along with the certified copies of relevant Certificates, Transcripts and Statements of Attainment.

If approved, the student's training plan and the Student Management System will be updated accordingly.

There's no fee charged for Credit Transfers.

GUARANTEE OF SERVICE

Mint International College guarantees to deliver the agreed training and assessment services to students upon commencement of their course. In the event that Mint International College withdraws the qualification due to extenuating circumstances, we will ensure that students are transferred to another Registered Training Organization to enable them to complete the studies at no additional cost or alternatively Mint International College will issue a refund of course fees that relate to training not yet delivered to the student.

Mint International College will issue students with a Statement of Attainment for any units completed within their course of study. Mint International College incorporates adult learning principles throughout the delivery of its training programs. You are encouraged to take responsibility for your learning and to actively participate in the learning and assessment process. Mint International College encourages you to:

WORK BASED TRAINING OVERVIEW

Note: Applicable to specific Courses

The combination of work and training provides the opportunity to develop practical skills and improve workplace knowledge.

A WBT placement involves a MOU which is an agreement between you and your employer detailing the training conditions and the type of training program you will undertake.

Your WBT MOU is an agreement between you, your employer and Mint International College, which sets out the training conditions and the type of training program you will undertake. It is an important document to retain and refer to as your

training is being delivered. The MOU must be signed by yourself, your employer and Mint International College's representative and may be revised periodically to ensure it is still relevant to you and your employer.

TRAINING DELIVERY

Your training program is delivered through the utilization of a number of training strategies. The flexibility in training delivery incorporates options that best suit your needs. Learning may take place in (but not limited to):

- Classroom
- Workplace
- Simulated environment
- Self-paced
- Any combination of above.

Training for international student will only be scheduled at registered CRICOS delivery campus of Mint International College. Regardless of where the training takes place, student is governed by Mint International College's policies and procedures as well as:

- Codes of conduct and behaviour for a specific workplace facility.
- Emergency and evacuation procedures for that location.
- Any lawful directive from any Mint International College authorised employee

Accredited Programs

Accredited programs are usually competency based which means that training and assessment or recognition of current skills and knowledge focuses on the development and recognition of a person's ability to apply relevant knowledge and skills to perform workplace tasks to a specified standard.

The specific skills and knowledge required for a particular workplace application are set out in Units of Competency and these can be grouped together to make up a nationally recognised qualification. Nationally recognised qualifications are set out in Training Packages and these can be viewed at www.training.gov.au

It is important to note that the rules and requirements of a Unit of Competency and a Qualification are applied to any client regardless of where they are, or the mode of training delivery provided. You could be a full time student in a classroom or the workplace, or you could be applying for recognition of the skills and knowledge currently held.

To be deemed Competent in any Unit of Competency you must be able to provide evidence of the required skills and knowledge to complete tasks in a range of situations and environments, including simulated applications in the classroom over a period of time.

Evidence is the material proof that you have performed the specified competency or task to the required standard over a period of time. Your evidence requirements will be determined by the Unit of Competency, employability skill requirements, industry expectations, Government regulations, and your qualifications and current experience. Evidence can take many forms and you will be required to present more than just one piece of evidence.

Examples of evidence could include one or more of the following (but not limited to):

- Specific tasks set by your Trainer/Assessor
- Observation/Demonstration
- Written assessments and exams

- Workbook activities
- Examples of work completed or special projects
- Group discussions
- Role plays
- Third party reports
- Oral and/or Written presentations
- Case Studies
- Research tasks
- Work-placement assessment
- Any combination of above

Mint International College works towards facilitating students to achieve success through a number of strategies:

- Provision of user friendly learning resources

The objectives of assessment process are:

- To demonstrate that you are competent to the agreed industry standard

Mint International College recognises that, not all participants learn in the same manner. Mint International College will make any reasonable and necessary adjustment to meet the needs of a variety of participants.

Reasonable adjustment may mean:

- making training resources and methods accessible;
- adapting physical facilities, environment and/or equipment;
- making reasonable changes to the training and assessment strategies; and
- making reasonable changes to the way evidence for assessment is gathered

Attendance and Course Progress Monitoring

Mint International College ensures that scheduled training and assessment sessions do not exceed 8 hours in one day for all delivery modes.

If you are unable to attend, please notify your trainer or telephone our office as soon as possible.

All participants are required to maintain a high level of attendance. The trainer/assessor will record your attendance on an Attendance Sheet for each training and assessment session. If any participant leaves a class early or arrives late, this will be recorded as well. The attendance sheet allows us to ensure that students are safe if there is any need for emergency evacuation of the building, etc.

If a student is more than 30 minutes late for a session the trainer has the right to refuse entry to the classroom. This may result in the student failing to progress with their training. Entry to the classroom or session will be influenced by:

- A risk assessment of any assessment activities being undertaken at that time.
- The potential of disruption to other students.
- Whether this is an ad-hoc or regular occurrence.

Students who have access to online resources must complete all units/assessments on or before the due dates. Regular contacts are made and course progress is monitored by trainers and assessors.

Students who are identified as being at risk of failing to maintain satisfactory course progress are invited to engage in a review of course progress process. Mint International College defines students who are at risk of failing to maintain satisfactory course progress as those who:

- do not attend classes regularly (especially without notification);
- do not participate actively and regularly;
- do not submit assessments on or before the due date without formally applying for an extension;
- fail two or more units within a study period or the same unit more than once.

All students are appointed a trainer/assessor who is responsible for the delivery and monitoring of training and assessment activities. If you believe that you may be disadvantaged in the learning environment as a result of disability, language, culture, gender, age or other perceived barriers, you should first discuss this with your trainer.

Review and evaluation processes may occur over the duration of your course. You are encouraged to provide feedback to assist us for our Continuous Improvement. This will be conducted at least once throughout the duration of your training and/or at the completion of your course of study.

Course Disciplinary Procedures

Mint International College is committed to ensuring that fairness and equity considerations are incorporated in the provision of training delivery and assessment. This means that all of our students and staff have the right to study and work in a positive environment which values diversity.

If your behaviour impacts on the performance of others within your group, the trainer will discuss the situation directly with you, and will try to sort out the problem. If there is no improvement, a written notification will be issued to yourself/your employer detailing the issues.

If there is still no improvement, then, in conjunction with your employer (if applicable) the following may occur:

- You may be taken out of group training for one-on-one session
- You may choose not to continue with the training
- Your employer may choose to withdraw you from your training program

- Unit of Competency Code and Title.
- Assessment type.
- Trainer/Assessor name.
- Student's signature and Date submitted.

With each assessment MINT establishes and oversees all evidence gathering processes to ensure it remains valid, reliable, fair and flexible.

If there is a need for an extension for an assessment, the student will need to discuss this with their teacher and further provide evidence for why they need to have the extension.
- MINT incorporates reasonable adjustments to the assessment process where needed without compromising the integrity of the assessment.

Students must keep a copy of their assessment before submitting an original.

Students will be provided with a feedback on their assessment and the determination of them being "*Competent*" or "*Not Yet Competent*" in a Unit of Competency.

All required assessments/exams within a unit of competency are assessed as **Satisfactory** or **Not Satisfactory**. And the final result for a Unit is marked as *Competent* or *Not Yet Competent*.

Competent — a student is deemed 'Competent' in a Unit of Competency only when all the required assessments / exams etc. are satisfactorily completed.

Not Yet Competent — a student is deemed 'Not Yet Competent' in a Unit of Competency when he/she did not satisfactorily attempt one (1) or more required assessments.

Withdrawn – a student is considered 'Withdrawn' from a Unit of Competency when he/she did not attempt at all and/or submit by the due date, one (1) or more required assessments.

Assessment Extension & Re-submission

Students may apply for an extension for submitting an assessment by completing an Assessment Extension Form no later than 5 working days before the due date. **Verbal extensions are not accepted**. An extension of up to 1 week may be granted, considering the nature of the request. Students who consistently apply for extensions will be referred to the Training Coordinator/Manager.

A student is given maximum of 3 attempts for each assessment in a unit of competency. If a student's work is *Not Satisfactory* in a 3rd attempt, he/she may repeat the entire unit of competency.

Where a student fails to submit an assessment or does not attend a scheduled activity/examination without previously arranging an extension, it is deemed to be a first attempt. The student is permitted to submit an assessment (or attend an examination) on/by a subsequent date and this is deemed to be their second attempt.

Making and recording the decision

- The student needs to be deemed satisfactory in all assessments to gain competency.
- The teacher will provide feedback* to the student on their performance and/or the outcome from their assessment (whether satisfactory or not yet satisfactory)
- If a student has been assessed as "Not Yet Satisfactory" on their performance in an assessment they should be offered information about the appeal process and/or a reassessment opportunity.
- Using the evidence gathered and the rules of evidence (validity, reliability, sufficiency, currency and authenticity) determine the final outcome for the student.

- If a student is marked as NYC, the student will be informed why this decision has been made and provide advice on how the student can improve their skills / knowledge prior to reassessment; or if the re-assessment opportunities have lapsed, provide advice on appeals and or re-enrolment.

Providing feedback

Students will be provided with feedback relation to:

- Their assessment result
- Clear and constructive feedback based on the assessment decision
- The reasons underpinning your assessment decision
- Information on ways of overcoming any identified gaps in competency revealed by the assessment the opportunity to discuss the assessment process and outcome information on reassessment and the appeals processes.

PLAGIARISM

Plagiarism is the action or practice of taking and submitting or presenting the thoughts, writings or other work of someone else as though it is your own work. Plagiarism includes any of the following, without full and appropriate acknowledgment to the original source(s):

- the use, in essays or other assessable work, of the whole or part of written work from any source including but not limited to a book, journal, newspaper article, set of lecture notes, current or past student's work, any other person's work, a website or database;
- the paraphrasing of another's work;
- Plagiarism, either intentional or unintentional is a practice which runs counter to MIC's values of quality, excellence and integrity. There is an expectation that students will prepare and submit work which is their own and which acknowledges the work of others.

If a student is found to have deliberately plagiarised the work of another - including copying the work of other students – Consequences will apply. It is a key responsibility of an assessor to distinguish original from plagiarised work.

Consequences of plagiarism can include any of the following at the RTO Manager's direction:

- The assessments to be re-submitted
- An unsuccessful result for the unit or cluster
- A counselling session if appropriate
- Suspension of enrolment unless the issue is resolved

Appealing a plagiarism decision

Where a student disagrees with a decision regarding plagiarism made by the assessor, the Mint International College complaints form must be completed and must be made in writing and forwarded to the Academic Manager. The information provided in the complaints form will be reviewed by a board consisting of an external assessor, General Manager and CEO. Findings and actions will be forwarded to all parties.

FEES AND REFUND POLICY

General fee and charges

Please visit www.mintraining.edu.au to view current fees and charges for all courses on scope.

Mint International College will inform the student in writing of fees prior to commencement of studies.

At Mint International College we understand that as a provider we are required to list all tuition fees payable by the student for the course, the periods to which those tuition fees relate and payment options (including, if permitted under the ESOS Act, that the student may choose to pay more than 50 per cent of their tuition fees before their course commences).

Mint International College will provide details of any non-tuition fees the student may incur, including as a result of having their study outcomes reassessed, deferral of study, fees for late payment of tuition fees, or other circumstances in which additional fees may apply.

Mint International College will set out its course fees, including government subsidised training to eligible students, in the *Schedule of Fees*, which will be reviewed annually and published in the relevant marketing materials or other publications including college's website. <http://www.mintraining.edu.au>.

The tuition fees are set for a complete course and cannot be charged, calculated or broken up on a unit basis.

Mint International College will honour its advertised fees, except where fees are altered and disclosed in documentation supplied prior to enrolment.

Where applicable, we maintain a financial agreement only with student and not with any third party paying fees on behalf of student.

The tuition fees will be charged according to college's study periods. Study periods will be clearly defined in student's *Letter of Offer* and *Student Agreement*.

Mint International College will list and provide complete information on the total amount of all fees including course fees, administration fees, materials fees and any other charges to all the prospective students prior to enrolment and include them in the Student Agreement.

Mint International College will articulate and provide information on payment terms, including the timing and amount of fees to be paid, any non-refundable deposit/administration fee, security of pre-paid fees, and the fees and charges for additional services to all the prospective students prior to enrolment and include them in the Student Agreement.

Mint International College will provide all the prospective students with a copy of its *Fee Refund Policy* as part of enrolment process and make a copy of the policy available on its website at all times.

Pre-paid Tuition Fee & Upon Commencement Fee

A maximum of 50% of the course tuition fee will be collected as a pre-paid fee for course longer than 25 weeks in duration. For packaged courses, up to 50% of the fee of the first course of study will be collected as a pre-paid fee.

Under the ESOS legislation providers cannot require students to pay more than 50 per cent of their tuition fees before they start the course. However, if students, or the person responsible for paying the tuition fees, choose to pay more than 50 per cent of their tuition fees before they start their course then MIC will maintain evidence to demonstrate that the students have exercised choice in how much of their tuition fees are paid up front.

Short courses with duration of 25 weeks or less are not subject to the 50 per cent limit. There are no restrictions on collecting tuition fees after a student has started their course.

Mint International College will keep initial prepaid tuition fees in a designated bank account within 5 business days of receiving them. This account will only be drawn down when the student commences the course.

Under the provisions of changes to the Education Services for Overseas Students Act 2000 enacted on 20th of March 2012 as part of the Government's second phase response to the Baird Review, Mint International College will contribute annually to TPS and meet the new regulatory requirements. The Commonwealth Government's Tuition Protection Scheme (TPS) protects fees paid in advance by international students. Further details on the TPS are available at: www.tps.gov.au.

Fee invoices and payment reminders will be sent out to the students at least eight (8) weeks prior to start of a new study period/term with an appropriate due date according to this policy. If a student voluntarily pays fees earlier than due date, it will be treated according to pre-paid fee provisions set out in this policy to enable college to refund any unused tuition fees according to its Fee Refund Policy.

Where an enrolment change is necessitated by illness or other exceptional and compassionate circumstances beyond the student's control and which prevent the student from completing studies in that study period, any refund of tuition fees is contingent upon approval of the refund by the CEO.

The fees and charges required to be paid to Mint International College by a student will be as specified in a signed written agreement between the student and Mint International College that is entered into prior to the student commencing in the course(s) to which the agreement pertains.

Fees and charges may be consolidated under a "package" if the student is enrolled in more than one course at Mint International College.

The college will treat these payments as payments made to Mint International College. The following refund conditions and procedures will apply to all the fees whether paid directly to Mint International College or through an approved agent of Mint International College.

Full Refund of Tuition Fees

On-shore students transferring to another provider or changing their visa status to any other visa (other than a Protection Visa) will not be eligible for a full refund. Partial refund to be considered as per below.

The Student will have the right to choose whether to seek a full refund of the fees, or to accept a place in another course. If the student chooses placement in another course, MIC will ask the student to sign a new student agreement to confirm acceptance of the placement.

No Refund of Fees

In certain circumstances, students will not be entitled for a refund of tuition fees. These circumstances include;

- Where a student formally withdraws from;
 - 1) a single course within MIC; or
 - 2) the first course within a packaged program comprised of two or more courses within one or more MIC schools/institutions

after the CoE start date, the student will not be entitled for a refund and will still be liable for the tuition fee for that/current term or study period.

A student who has outstanding fees owing to MIC will not be permitted further enrolment (except where any Commonwealth or State legislation or code of practice provides otherwise) and will have their academic results withheld (as such will not be eligible to graduate) until the fee debt is paid in full.

A student who has not paid tuition fees by the fee due date may have their enrolment cancelled at MIC.

A student whose enrolment has been cancelled due to non-payment of fees may apply for reinstatement of the enrolment within twenty (20) days of the notice of cancellation, provided the student pays in full any outstanding amount owing to MIC.

Paying by Instalments

In the case of withdrawal after the commencement of the unit of competency student will be required to pay any remaining monies for that term by an agreed date.

In cases where the instalment agreement is broken (i.e. fees are not paid by the due date) the following may occur:

- Reminder notices may be forwarded, requesting immediate payment of overdue fees.

- If a satisfactory response is not forthcoming, debt recovery action may be taken in order to recover the fees. Any debt collection costs will be student's responsibility.
- No documentary or verbal evidence of enrolment or results will be given.
- Student will not be accepted into any other course/unit of study with us whilst fees remain outstanding.
- The enrolment may be suspended or cancelled at the discretion of the RTO Manager.

1. Procedure for Claiming Refunds

All refund claims must be submitted in writing via college's *Refund Request Form* accompanied by appropriate supporting documents as specified to MIC.

All refund applications must be made and signed in person by the student. Where it is not possible for a student to be present in person (e.g. students residing overseas or international students) to claim a refund, the student must send a scanned copy of their signed forms to the Student support officer by email. On receipts of email, the Student support officer will verify student's signatures on records and may also telephone the student to verify student's identity. No refunds will be made on email applications until the time when student's identity has been verified.

All applications for the refund will be authorised by the General Manager or CEO at MIC.

When an amount is refunded to an international student, MIC will provide the student with a statement explaining how the refund amount has been calculated.

A refund of fees in relation to an international student will be made in the same currency in which the fees were paid and be made to the party who entered into the written agreement with MIC, unless that person directs MIC otherwise in writing.

In normal circumstance, MIC will refund the amount within four (4) weeks after receipt of the completed and signed *Refund Request Form* together with appropriate supporting documents.

Payments will be made to students either by electronic transfer in their nominated bank accounts.

For any refund to be paid to any other person than the students, a written authorisation from the student will be required.

2. Grievances and Appeals

A student may appeal against a decision made with respect to fees, including refunds, and the appeal must be lodged in writing according to the processes for appeals as detailed in the *Student Complaints and Appeals Policy and Procedure*.

Availability of MIC's complaints and appeals processes does not remove the right of a student or an intending student to take action under Australia's consumer protection laws or to lodge an appeal with a relevant external body or to take other legal action.
